Thanks for the information. We knew about this already. I was out observing the area late Saturday. I sure hope most of the women I saw DO NOT wear bikinis. We would probably run out of ticket books writing indecent exposure citations.

Hi Greg,

This is a copy of the flyer that Seth found on his windshield downtown. We thought it was interesting considering all that has gone on with Park 6. It is too small to read, but I think it says that the first 25 women in bikinis get in free (what a shock). Maybe you could forward it on to Aaron.

Thanks, Francie
